A NEED YOU CAN MEET

Alex Mitala and Back To The Bible Truth house more than 800 children in their children's home and educate more than 2000 students in their schools. A large farm of several hundred acres helps feed the children and staff, and generates income for the ministry. Teams lead evangelistic outreaches in local towns.

The items we send, many of them expensive or hard to find in Uganda, will equip the home, school, and farming projects to help them achieve sustainability and expand to reach more with the love of God.
