A NEED YOU CAN MEET

In the strife-ridden Republic of Georgia, only 1.37% of the population has a personal, transforming relationship with Christ, and 15 people groups wait for any meaningful Gospel witness at all. You can help.

Vibrant young churches in Georgia are bringing eternal hope and immediate aid and encouragement. We are equipping our partners there to take their work to the next level.

"We are starting churches, helping poor Gospel-preaching churches, and aiding poor Christians who have no work and virtually nothing else. Thank you."
