REPORT OF INDEPENDENT AUDITORS

To the Board of Directors
Advancing Native Missions
Afton, Virginia

We have audited the accompanying financial statements of ADVANCING NATIVE MISSIONS, which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

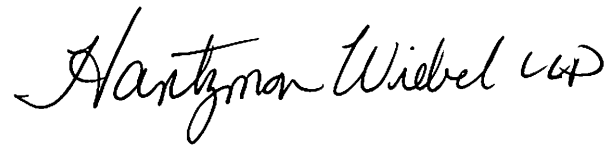

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Advancing Native Missions

ADVANCING NATIVE MISSIONS

NOTES TO FINANCIAL STATEMENTS

ORGANIZATION

Nature of Activities

Advancing Native Missions (ANM or the Organization) is a U. S. nonprofit religious organization called to raise and disburse financial, prayer, and material support for indigenous Christian missionary organizations throughout the world. Based in Afton, Virginia, ANM is an interdenominational, evangelical missions organization that serves as a bridge between native missionaries and the body of Christ in North America. ANM staff members travel to the frontiers of world evangelization to personally survey and evaluate ministries that are reaching unreached peoples. ANM seeks ministries that have a well-defined evangelical statement of faith, demonstrate financial accountability, and show solid evidence of spiritual fruitfulness, among other criteria.

ANM was incorporated under the laws of the State of Texas as Soul Winners International and is registered under the Virginia Solicitation of Contributions laws of the Commonwealth of Virginia.

ANM's programs are funded primarily by contributions. ANM is committed to being open and transparent before both God and man in the stewardship of the gifts the Lord's people entrust to ANM; toward this end ANM is a member of the Evangelical Council of Financial Accountability. ANM receives contributions through participation in the Combined Federal Campaign and the Commonwealth of Virginia Campaign.

Mission Statement

To further the cause of world evangelization and to initiate and develop meaningful relationships, ANM seeks out, evaluates, and supports native missions groups working among the world's unreached peoples.

Vision Statement

ANM has been called to seek out, evaluate, and support native missions groups that have a clear and defined evangelical statement of faith, are open and transparent in their finances, and are working among unreached people groups. ANM shares information about these native missions with evangelical churches and individuals in North America who are willing to pray and give for the advancement of God's Kingdom through these ministries. Visiting native mission leaders work with ANM to declare God's Word to the churches of North America and to inspire them to be actively involved in missions at home and abroad.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Recent Accounting Pronouncement

The Organization adopted the following Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) for the year ended December 31, 2020: ASU 2018-08, *Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*: This ASU clarifies guidance about whether a transfer of assets is a contribution or an exchange transaction. There was no impact on total net assets as a result of the standard being adopted.

ADVANCING NATIVE MISSIONS

NOTES TO FINANCIAL STATEMENTS

Basis of Accounting

The financial statements of ANM have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables and payables and other liabilities.

Basis of Presentation

ANM classifies net assets into two categories - net assets without donor restrictions and net assets with donor restrictions, as defined below:

Net assets without donor restrictions include funds from contributions and other inflows of assets whose use is not restricted by the donor.

Net assets with donor restrictions include funds from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that either expire by the passage of time or can be fulfilled by the actions of the Organization. This category also includes funds resulting from contributions or other inflows of assets whose use is limited by donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled by the actions of the Organization. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Net assets without donor restrictions are resources available to support operations. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Income Tax Status

ANM is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, ANM qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks, certificates of deposit, and highly-liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

ADVANCING NATIVE MISSIONS

NOTES TO FINANCIAL STATEMENTS

Investments

Investments in marketable securities with readily determinable fair values are reported at fair value in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities. Investment income and gains from stock contributions with donor restrictions are reported as increases in net assets without donor restrictions if the restrictions are met (either a stipulated period of time ends or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized.

Inventory

ANM's inventory consists primarily of donated religious books and media, medical supplies, equipment, office supplies, clothing, and ANM materials. Inventory is valued at the lower of cost or net realizable value. The basis used for determining the cost of donated items is the fair market value of comparable items. Cost is determined by the first-in, first-out method. When evidence exists that the net realizable value of inventory is lower than its cost, the difference is recognized as a loss in the statement of activities in the period in which it occurs.

Property and Equipment

ANM capitalizes all expenditures for or donations of property and equipment in excess of \$5,000. Purchased property and equipment are carried at cost. Donated property and equipment are carried at fair value at the date of donation. The cost of maintenance and repairs is charged to operations as incurred. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

	YEARS
Building and improvements	15 - 39
Automobiles.....	5
Furniture, fixtures, and office equipment.....	3 - 10

Donated Assets

Donations of property and equipment are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose.

Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as increases in net assets with donor restrictions until the asset is placed in service.

Contributions of marketable securities are recorded as contributions at their fair values at the date of the donation. It is the Organization's policy to sell donated securities as soon as possible after they are received.

ADVANCING NATIVE MISSIONS

NOTES TO FINANCIAL STATEMENTS

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by ANM. ANM generally pays for services requiring specific expertise. Many individuals volunteer their time and perform a variety of tasks throughout the year that are not recognized as contributions in the financial statements, since the recognition criteria are not met. Since much of the Organization's work is done on a voluntary basis, salaries and wages are kept to a minimum.

Advertising Costs

Advertising costs are expensed as incurred, and totaled \$47,429 and \$24,072 during the years ended December 31, 2020 and 2019, respectively.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and detailed in the statement of functional expenses. Directly identifiable expenses are charged to program and support services. Expenses related to more than one function are charged to program and support services on the basis of periodic time and expense studies. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through June 26, 2021, the date the financial statements were available to be issued.

On March 3, 2021, the Small Business Administration released \$306,008 of the \$375,000 Paycheck Protection Program (PPP) loan received by the Organization. This loan was used to pay payroll and utility costs during the year ended December 31, 2020. The \$306,008 was recorded as net assets released from restrictions in the year ended December 31, 2021 since the loan was forgiven in 2021. CASH AND CASH EQUIVALENTS

During the year ended December 31 2018, Advancing Native Missions had a change in the leadership team. The new leadership team restructured operations to meet a goal of doubling revenues in five years. As of December 31, 2019, this restructuring resulted in a significant increase in the operational overhead from the levels during the year ended December 31, 2018. To cover the anticipated shortfall, in late 2019, the leadership team started a targeted fund-raising campaign to raise \$600,000 for the Organization's overhead by the end of the year. Although the Organization fell short in the cash and cash equivalents without donor restrictions raised during 2019 by approximately \$372,000, ANM received intentions by donors of nearly \$500,000 by December 31, 2019 to cover the shortfall. Of these donor intentions that were received in 2019, a substantial amount was paid during the first five months of 2020. In addition, the administrative fee charged to most donations was increased from 10% to 15% beginning in late 2019. These factors eliminated the cash and cash equivalent shortfall during the year ended December 31, 2020.

CONCENTRATIONS OF CREDIT RISK

The Organization manages deposit concentration risk by placing cash accounts, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Organization has not experienced losses in any of these accounts.

ACCOUNTING FOR UNCERTAIN TAX POSITIONS

ANM is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ANM may recognize the tax benefit from a tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBTI). ANM has analyzed its tax positions taken for filings with the Internal Revenue Service and the Commonwealth of Virginia. ANM believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on its financial condition, results of operations, or cash flows. Accordingly, ANM has not recorded any reserves or related accruals for interest and penalties for uncertain tax positions at December 31, 2020 or 2019.

LIQUIDITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds.

The Organization considers investment income without donor restrictions; contribution revenue without donor restrictions; and contribution revenue with donor restrictions for use in current programs that are ongoing, major, and central to its operations to be available to meet cash needs for general expenditures. General expenditures include program services, general and administrative expenses, and fund-raising expenses expected to be paid in the subsequent year.

The Organization manages its cash available to meet general expenditures under the following guiding principles:

- Operating within a prudent range of financial soundness and stability,
- Maintaining adequate liquid assets to fund near-term operating needs, and
- Maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be met.
