

# PEEP PEEP

Let's help a  
family have  
food to eat!

We're giving baby chicks to families in need around the world. Each chick is only \$3, so every little bit you collect will go a long way.

The chick you give could grow up to lay **250 eggs** in a year!

That would be a big help for a family that doesn't have enough to eat!

We're partnering with Advancing Native Missions to make a difference around the world in Jesus' name.
