

# 31 Days *of* Christian Prayer

DURING RAMADAN

# 31 Days of Christian Prayer During Ramadan

## 1.

### For believing girls

Pray that the Lord will give them wisdom, understanding, and strength to face increased pressures during this month. Some are exposed to serious threats such as forced marriage or other forms of harm if they do not follow Islamic practices. Pray that the Lord protects them and gives them grace in every word and action.

## 2.

### For believing young men

Many face strong pressure to go to the mosque and participate in religious rituals. Pray that the Lord grants them wisdom, strength, and steadfastness, and guides them in how to respond without putting themselves in severe danger.

## 3.

### For those who weaken under pressure

Some believers, because of family threats, have stepped back or verbally denied their faith. Pray that the Lord comforts them and restores them as He restored Peter, removing the heavy burden of guilt and bringing them back to joy and spiritual stability.

## 4.

### For protection from unwise counsel

Pray that believers will be protected from immature advice that pushes them toward harmful spiritual compromises in the name of keeping family peace. Ask the Lord to give them discernment and light in their thinking.

## 5.

### For believing children from a Muslim background during school

Many children attend Islamic schools and face questions and pressure from classmates about fasting and prayer. Pray that the Lord gives them grace in their answers, wisdom beyond their years, and peace in their hearts.

## 6.

### **For Muslim-background believing children facing pressure from teachers**

Some religion teachers become stricter during this month, creating psychological pressure on these children. Pray that the Lord protects them from humiliation or punishment and makes a safe way for them in every difficult situation.

## 7.

### **That the Lord would use Muslim-background believer children**

Pray that God uses the lives of these children as a testimony, stirring questions in the hearts of friends and teachers.

## 8.

### **Wisdom for parents who are Muslim-background believers**

Pray that the Lord gives fathers and mothers wisdom in leading their homes during this month and helping their children pass through it calmly without dangerous conflicts.

## 9.

### **Homes of safety and discipleship for believers**

Pray that the Lord opens safe homes where believers—especially singles—can gather, grow in the Word, and be filled with the Holy Spirit.

## 10.

### **Protection for these homes**

Because these homes are places of fellowship and prayer, pray that the Lord protects them from suspicious neighbors or troublemakers.

## 11.

### **For Christians from a Christian background in Muslim workplaces and society**

Pray that the Lord gives them grace and wisdom in speech and behavior during this month, especially where religious tension increases.

**12.**

**May Christian-background believers have boldness without fear**

Pray that the Lord grants them courage and grace to speak about Christ, and that every spirit of fear would be broken.

**13.**

**For churches that make unhealthy compromises**

Pray that God gives awareness and discernment to churches that seek approval at the expense of truth, so they can distinguish between genuine love and compromise driven by fear.

**14.**

**Insight for church leaders**

Pray that the Lord gives them deep spiritual wisdom to navigate these circumstances with truth and steadiness.

**15.**

**Against fear among believers from a Muslim background**

Pray that fear will not stop them from sharing the Gospel and that the Lord fills them with strength and boldness.

**16.**

**For Muslims who are seeking truth**

Pray that the fear that prevents them from taking steps toward Christ will be broken, and that they receive inner courage to ask and search.

**17.**

**Against restrictive religious spirits**

Pray against influences that prevent people from thinking or hearing the Good News, and that truth will be proclaimed with love and clarity.

**18.**

**Empowerment by the Holy Spirit**

Pray that every believer is strengthened by the Holy Spirit to share the Good News boldly with both Christians and Muslims.

**19.**

**Against confusion**

Pray against confusion that prevents understanding for both the speaker and the listener. Ask the Lord for mental clarity and spiritual focus.

## 20.

### Against extremism

Pray that hardened attitudes that close hearts to the truth will be softened, and that the Lord gives wisdom, love, and boldness in proclaiming His name.

## 21.

### For governments in Muslim-majority countries

During this month, religious intensity rises and pressure on non-Muslims may increase. Pray that God gives leaders wisdom, mercy, and justice toward all citizens.

## 22.

### For media programs

Pray for television programs that may promote intolerance or contempt for others. Ask that messages of hatred lose influence and that truth, peace, and respect grow instead.

## 23.

### For all school leaders

Pray that they show compassion toward all children, reject discrimination, and act with fairness and maturity.

## 24.

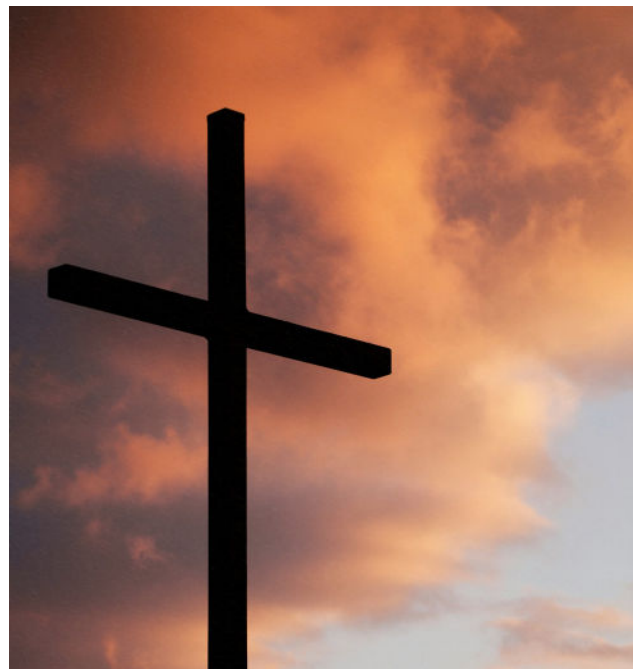

### For all government managers and officials

Pray that they do not misuse their positions to pressure or discriminate against non-Muslims, but instead act with integrity and justice.

## 25.

### For Christian leaders in society

Pray that they walk in wisdom and reflect Christ clearly through their behavior.

## 26.

### For children at risk

Pray that God protects children from harm or exploitation. Ask Him to comfort families in distress and give them wisdom and courage to seek protection and stand for what is right.

## 27.

### For girls facing severe hardship

Pray that the Lord surrounds them with His protection, fills them with His peace, and uses their lives as a testimony of His light even in dark circumstances.

## 28.

### That this month would become a time for Jesus' name to be known

Pray that fear, confusion, and spiritual darkness that block the knowledge of Christ will fall.

## 29.

### That God reveals Himself to seekers

Pray that those searching for truth encounter Him in personal and life-changing ways.

## 30.

### For missionaries and servants among Muslims

Pray that the Lord strengthens, protects, and uses them fruitfully.

## 31.

### For the children of those in ministry

Pray for spiritual and physical protection over them from pressures and illness, and that their homes be filled with God's peace.
